ABOUT RAMSAY HEALTH CARE:

Established in Australia in 1964, Ramsay Health Care is now the largest operator of private hospitals in the country. With 69 hospitals and day surgery units, Ramsay Health Care Australia admits almost 1,000,000 patients and conducts over half a million procedures each year.

ABOUT PENINSULA PRIVATE HOSPITAL:

Peninsula Private Hospital is a comprehensive 253 bed acute surgical, medical, cardiac, oncology and obstetric facility located in the bayside town of Frankston in Melbourne’s South Eastern Suburbs. As an Australian Council on Healthcare Standards fully accredited facility, we offer the highest standards of clinical care, patient service, and technology. Our medical specialists, nurses and allied health practitioners have a reputation for excellence throughout the area. The hospital is the newest, the biggest and the most advanced facility of its kind on the Mornington Peninsula. Services include cardiac surgery and a state of the art Intensive Care Unit.

The hospital has recently undergone a major redevelopment with opening of a 14 bed Emergency Department, two new Medical wards, Consulting Suites and a multistorey car park. A new Radiology Department, front entrance and 24 hour Pharmacy are also part of the new hospital. As a member of the Ramsay Health Care Network we enjoy access to a range of resources and expertise throughout Australia.
